Triple Homicide at Lakeview Trails Apartments
August 31, 2016 – (College Park, Georgia 30349)

Clayton County Police responded to an apartment in College Park in reference to a shooting and located three deceased adults inside.

WHAT: Triple Homicide at Lakeview Trails Apartments
WHEN: August 30, 2016
WHERE: Lakeview Trails Apartments, 5724 Riverdale Rd., College Park, Georgia 30349

DETAILS:

On August 30, 2016, at approximately 8:25 p.m., Clayton County Police Officers responded to an apartment in the Lakeview Trails Apartment complex in reference to a report from a neighbor that there was a disturbance at the location. The responding officer attempted to make contact with the potential occupants of the home and after receiving no response and seeing no immediate indicators that would have alerted to a problem, the officer left the location. At approximately 9:01 p.m., the Clayton County Police Department received an additional call at the same location after a relative of one of the victims entered the apartment and observed that one person had been shot and appeared to be unresponsive inside of the residence. The relative exited the residence and awaited the return of the police.

Responding officers entered the residence and discovered that Robert Dixon Jr. (26 y/o of Riverdale, GA), Mario Collier (27 y/o of College Park, GA) and Lakisha Davis (23 y/o of College Park, GA) had all been shot multiple times and were deceased. While checking the residence for additional victims, officers discovered that Collier’s daughters (3 y/o and 6 y/o) were inside of the residence when the shooting occurred. The juveniles were immediately
removed from the residence and transported to the Clayton County Police Department Headquarters building where they were returned to the care of their mother.

A search warrant was obtained by Clayton County Police Department Major Felony Unit Detectives and was executed shortly thereafter. During the execution of the search warrant, detectives discovered several articles of drug paraphernalia within the residence which has led to the belief that the homicides are drug related.

Police were advised that prior to their arrival, in reference to the initial call regarding a disturbance at the location, two black males were seen hurriedly leaving the general area of the apartment in which the victims were located. Based on witness accounts, sketches of two male subjects have been created and they are now being sought as “Persons of Interest” in this case.

Anyone who may be able to identify the persons of interest pictured below or may be able to provide additional information regarding this case is asked to contact the Clayton County Police Department tip line at 770-477-3513 or the Criminal Investigation Division at 770-473-3931.
