APPENDIX A

CRIME DATA

2022-2025

The figures included in this report are preliminary figures for general situational awareness and trend purposes only. They do not represent the official figures of the Clayton County Police Department. And are subject to further analysis and revision. Due to the statute-driven changing nature of crime classification and area boundaries over time, be advised that the figures contained may not fully coincide with CCPD statistical sources. Differences are reflective of the departmental procedures or policies that were in place at the time the events occurred and the data was compiled. Data may be approximate in relation to indicated areas. Every reasonable effort has been made to verify the accuracy of the data, however, accuracy is subject to the constraints of the report generation process and the manner, format, and point in time of any query.

2025 VS. 2026

Crime is overall down by -3.65 %
